

Lab 8

1 - 4) (10 points each) Do problems 1-4 on p. 373. When the book says to “capture map”, please generate a full-featured map and save it as a JPEG or a PDF. MXDs will receive 0 credit.

5) Do the challenge problem on p. 373, except do not use the GeographyNetwork. Find a data set that is unique and your own!
